### **DETAILED ACTION**

This office action is in response to amendment filed May 23, 2006. Applicant cancelled claims 1-32 and added new claim 33. Only claim 33 is currently pending.

#### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in a patent granted on an application for patent by another filed in the United States before the invention thereof by the applicant for patent, or on an international application by another who has fulfilled the requirements of paragraphs (1), (2), and (4) of section 371(c) of this title before the invention thereof by the applicant for patent.

The changes made to 35 U.S.C. 102(e) by the American Inventors Protection Act of 1999 (AIPA) and the Intellectual Property and High Technology Technical Amendments Act of 2002 do not apply when the reference is a U.S. patent resulting directly or indirectly from an international application filed before November 29, 2000. Therefore, the prior art date of the reference is determined under 35 U.S.C. 102(e) prior to the amendment by the AIPA (pre-AIPA 35 U.S.C. 102(e)).

Claim 33 is rejected under 35 U.S.C. 102(e) as being anticipated by Meyer et al. (US 6,915,271).

Regarding claim 33, Meyer teaches offering by a sales system of a first party (merchants) items for sale at a sales price amount; providing a browsable catalog for searching the items (online merchants that carry the associated goods and services) (see col. 40 line 64 to col. 41 line 22) receiving online purchase request from a buyer for at least one item (buy now); associating a promotion with the item to be purchased, the promotion having a promotion amount (see fig. 19-

Art Unit: 3622

22, 25-30, 33); responding to the online purchase request by collecting from the buyer a purchase amount corresponding to the sales price amount less the promotion amount (see col. 41 line 66 to col. 42 line 25) and facilitating payment of a reimbursement amount corresponding to the promotion amount to the first party (see col. 44 line 53 to col. 45 line 18).

***Response to Arguments***

Applicant did not provide any argument regarding the applied reference.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
